Attention: Mr. Pagani

Dear Mr. Pagani,

I have been fortunate enough during my lifetime to have owned some of the finest automobiles on the market. Being an avid collector of the Ferrari I had often thought there couldn't be a finer or more exotic vehicle made. That was until I owned a Pagani. This car is the Michelangelo of the industry. I am truly honored to own one.

I have enclosed a check for \$1000.00. Please treat your mechanics to a fine dinner as a token of my appreciation for their spectacular workmanship. The Pagani is truly a work of art!

Sincerely,

Mr. Benny Caiola
