The most exclusive BMW motorcycle of all time: the BMW HP4 RACE.

**Advanced prototype with full carbon fibre main frame
and carbon fibre rims presented at the EICMA in Milan.
Serial production vehicle announced for 2017.**

Munich/Milan. At this year's EICMA, BMW Motorrad reveals an initial glimpse of the most exclusive model in its history to date: the BMW HP4 RACE.

It was initially left open as to how far the advanced prototype reflected what the final motorcycle would look like. The only definitive information provided by the Stephan Schaller, President BMW Motorrad, related to the frame and wheels: "The HP4 RACE will feature the full carbon fibre main frame and carbon fibre rims as shown here. We will reveal more about this model next spring."

It is also certain that the BMW HP4 RACE will be manufactured by hand in an exclusive limited series and supplied in the second half of 2017.

You will find press material on BMW motorcycles and BMW Motorrad rider equipment in the BMW Group PressClub at www.press.bmwgroup.com.

The BMW Group

With its three brands BMW, MINI and Rolls-Royce, the BMW Group is the world's leading premium manufacturer of automobiles and motorcycles and also provides premium financial and mobility services. As a global company, the BMW Group operates 31 production and assembly facilities in 14 countries and has a global sales network in more than 140 countries.

In 2015, the BMW Group sold approximately 2.247 million cars and nearly 137,000 motorcycles worldwide. The profit before tax for the financial year 2015 was approximately € 9.22 billion on revenues amounting to € 92.18 billion. As of 31 December 2015, the BMW Group had a workforce of 122,244 employees.

The success of the BMW Group has always been based on long-term thinking and responsible action. The company has therefore established ecological and social sustainability throughout the value chain, comprehensive product responsibility and a clear commitment to conserving resources as an integral part of its strategy.
