Introducing the All-new, Next-generation 2018 Jeep® Wrangler

November 8, 2017, Auburn Hills, Mich. - The most capable SUV ever delivers even more legendary Jeep® 4x4 capability, a modern design that stays true to the original, advanced fuel-efficient powertrains, more open-air options, and is loaded with more safety features and advanced technology than ever before. The all-new Wrangler's interior design combines authentic styling, precision craftsmanship and high-quality materials that result in improved versatility and comfort for drivers and passengers. The all-new Wrangler's unique design includes an instantly recognizable keystone-shaped grille, iconic round headlamps and square tail lamps, improved aerodynamics, a convenient fold-down windshield for off-road purists, even more open-air freedom, and dozens of different door, top and windshield combinations. Additional images and complete vehicle information will be available November 29 at the Los Angeles Auto Show.
